Dear Parents,

Please find below a link to the final report for our recent Ofsted inspection.

We are pleased that the inspectors recognised the strengths and recent improvements in the school, particularly that pupils have positive attitudes to their learning, and that the school is welcoming and highly inclusive.

School and trust leaders are continuing to address the areas for improvement and look forward to securing a Good judgement at our next inspection.

We are very proud of the children and staff of St Mary and Joseph's, and of everything they continue to achieve.

Thank you for your continued support.

Sarah Terrey
Headteacher

Dr Karen Cook
Chair of IAB

Kevin Butlin
Director of Education
