St Mary & St Joseph's Catholic Primary School Newsletter

This week we welcomed the Living Eggs to the school and we are sure you have heard from your children about them.

The children have enjoyed watching the eggs hatch and learning about caring for the chicks.

I love the chicks
and want them
to stay

Rex

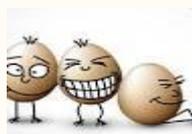

The chicks are so
cute and when they
came out their eggs
they were much
bigger than I
thought

This week's joke is from Harry

It was really
interesting seeing
the chicks and
learning that boys
are yellow and girls
are orangey

Toby

Q. What do chicken families do on the weekends?

A. They have peck-nics!

Best wishes

Executive Headteacher

P Fearn
