

### MATHS

Unit 12 – Money - Solving problems using money and converting between pound and pence  
Unit 13 – Time - Identifying units of time and converting between units  
Unit 14 – Statistics - Reading charts and graphs  
Unit 15 and 16 – Geometry - Identify and comparing shapes, symmetry and position

### RHE: Module 3 – Created To Love Others

#### Keeping Safe

Keeping themselves and others safe including the safe use of technology.

As well as what we eat and drink, what we watch, hear, say or do can be good or bad for us and others.

That medicines are drugs, but not all drugs are good.

That alcohol and tobacco are harmful substances.

#### Religious Understanding

God is Love as shown by the Trinity. The human family can reflect the Holy Trinity in charity and generosity.

The Church family comprises home, school and parish (which is part of the diocese)

#### Living in the Wider World

That God wants His Church to love and care for others  
Practical ways of loving and caring for others

### History – ancient civilisations

Following on from studying the Ancient Egyptians, we will look at what an ancient civilisation is and compare Ancient Egypt to the Shang Dynasty

### MUSIC: Blackbird

To learn the lyrics to a song

To play instrumental parts within the song

To improvise using voices and/or instruments within the song

To perform the song learnt

### Art

Clay sculptures. We will look at modelling with clay, including different techniques for joining pieces together. We will look at animals in art and in particular Bankura horses.

## Year 4 overview Summer 1, 2024

**This half term we have our exciting trip to New Barn and we will be swimming on Fridays.**

I am really looking forward to working with Oak Class this term.

Miss Lyndley

### ENGLISH

To continue to use our creativity in writing stories.

We will also look at persuasive writing this term.

The children will continue to use their writing skills to write effective sentences for each genre of writing. There will be a focus on ensuring all written work is presented neatly and uses the basics taught at Key Stage 1.

#### Class reading book: Why the Whales Came –

Michael Morpurgo

We will be continuing with the VIPERS skills: Vocabulary Infer Predict Explain Retrieve Summarise. We will also look at a range of texts for reading comprehension skills.

### RE

#### Topic 7 – Pentecost:

Knowing and loving God, the Scriptures, the Trinity  
What is the Church? One and holy, Catholic, Apostolic, Mission  
Liturgy, Sacraments, Baptism, Confirmation, prayer  
The dignity of the human person, sin, the human community, love of God, love of neighbour

#### Topic 8 – Building Bridges

Look in detail at the actions of St Paul  
Understand that everyone is loved by Jesus  
Identify the importance of reconciliation in our lives  
Understand the role of the priest in absolution

### SCIENCE – Food Chains

To know all food chains start with a producer and those creatures down the chain are consumers

To identify predators and prey

To identify the apex predator

To examine local food chains and produce labelled diagrams

### Spanish

We will look at greetings, numbers and colours

### ICT:

To read and interpret charts of data

To ask and answer appropriate questions related to charts and graphs

To gather and input information into a bit of software

To generate charts and graphs using data

### PE

#### Rounders (Tuesdays)

To use rounders equipment correctly

Strike a ball using a bat

To understand the rules and scoring for rounders

Swimming (Fridays) We will be going swimming on Friday afternoons for this half term.

### Year 4 reminders

PE continues on a Tuesday with Mr Kelly. Swimming is on a Friday.

Spellings will be sent home on a Monday to be tested on the following Monday.

Times-tables should be practised daily.

Children should complete 30 minutes of Maths Flex a week.

Children need to read for at least 5-10 minutes every evening. Please sign their reading record when they have read and add in results of the quizzes they do.
