

GEOGRAPHY

Children will be learning about our school and the local area

Children will be able to name and locate the four countries in the UK on a map

Children will be able to locate Wool on a map

Children will learn what an address is and how to give directions

Children will learn about the human and physical features of our school

ENGLISH

Phonics and Reading

Following the Read Write Inc scheme, all children will have a daily Phonics and Guided Reading session.

Children will explore new vocabulary through daily shared reading from the 'Talk Through Stories' scheme.

Writing

Using the Get Writing scheme, children will be learning to write in simple sentences, using capital letters, full stops and finger spaces.

They will have spelling and handwriting practice three times a week

MUSIC

To know music has a steady pulse.

To know we can create rhythms from words, our names, favourite foods, colours and animals.

PE : HIT, CATCH, RUN

Children will develop their throwing , catching and rolling skills

Children will learn to move quickly and with agility

GYMNASTICS

The children will be learning to perform a variety of basic gymnastic actions, whilst showing control.

They will perform longer movement phrases and link these with confidence

Year 1 Autumn 2 2023

RHE:

The children will learn that we are unique, with individual gifts, talents and skills. They will know that girls and boys have been created by God to be similar and different. The children will also be learning what constitutes a healthy lifestyle, such as healthy eating and physical activity.

SCIENCE

Children will identify name and compare a variety of common animals including fish, amphibians, reptiles, birds and mammals

Children will identify animals which are carnivores, omnivores and herbivores

MATHS

Unit 4: Addition and subtraction within 10

Unit 5: 2D and 3D shapes

Unit 6: Numbers to 20.

RE

Belonging.

Children will learn about belonging to different groups.

Children will learn about Baptism and know that Baptism is an invitation to belong to God's family.

Children will be able to describe some actions and symbols used in a Baptism ritual.

Advent.

Children will understand that Advent is a time of waiting in hope for Jesus and how waiting encourages believers to wait for Christ.

Children will know that gifts, given and received, are a sign and expression of love.

Design Technology

The children will identify sliders and levers.

The children will use a pivot to make a lever move and a linkage to join two levers movements.

Children will develop their own design ideas.

Children will talk about their work and say how they would improve it.
