This week whilst year 6 were on their residential trip some year 5 children were invited to step up into the prefects positions and they helped in the achievement assembly and at lunch times

I liked stepping up to be a prefect this week I helped with the equipment during lunchtimes

William

As the prefects we helped set up the assembly hall and gave out DoJo points

Blake

We enjoyed helping the children line up to go to assembly and after assembly back to class

Lena

This week's joke is from Mr Frame

My wife asked me to stop impersonating a flamingo

So, I put my foot down!

Best wishes
