School Ambassador Task 8: 'Light up' our Gospel values

This term, we are reflecting on our Gospel values and thinking how we can make them alive in our school.

We would like you to express your voice in lighting up the values in our school.

This week is the fourth week of Lent and we will focus on the value of **COMPASSION**. You may remember that last year our year 6 class made compassion cushions and presented one to the Church.

Please can you choose from one of the following activities to create something we can display around our school about **COMPASSION**. Choose a different activity from last week:

- Write a sentence about what compassion means.
- Make a poster containing a quote about this word, then decorate it with your own frame design.
- Draw a picture from a parable you've heard about being compassionate
- Write a poem (maybe an acrostic poem)
- Find a song that you feel is about compassion and write some of the words out.
- Find a headline in a newspaper about someone showing **COMPASSION**.

When finished, email to the school office or if you've made something, take a photo and send to us. We will display your ideas on the website and think about how we can formally display them around our school as part of our Wall art.
