

Cross country race recount

On Thursday 6th February, St Mary and St Joseph's Primary took part in a cross country event at Purbeck School.

This exciting event began at 2:30pm with all the schools (pupils in Years 4 – 6) lining up at the start in age order. Some people crept forward over the line!

The whistle blew to set off the Year 4s on their 1 lap race. They made it look easy but it wasn't as we were soon about to find out! The year 5 race was a difficult 2 laps with people falling over. Pupils had to jump over people and tree roots and run on rocky places. Luckily, it was dry!

Oscar ran a good race and we think he placed highly. Leon, Freddie and Lydia impressed us by trying hard despite tricky ground. They persevered even when it got tough. We are really proud of everyone who took part from our school.

Ben and Ted (Year 5)
