14th July 2023

Dear Parents & Carers,

We thoroughly enjoyed the superb Year 6 talent show earlier this week, which was brilliant. We are so proud of the children. They demonstrated the characteristics of learning which we follow as a school. We saw lots of " Go for it Gorillas", " Creative Chameleons" and" Proud Peacocks". The children also enjoyed their "moving on" morning today and are excited for the next academic year.

Mrs Hall's choir club has been having a lovely time singing together this term and this week was the last session – However on Weds 19<sup>th</sup> at 3.15pm they will be putting on a one-off performance in the school hall for their parents to see what they have been up to – We hope everyone enjoys it and gives Mrs Hall a big round of applause to say thank you for giving up her time to run the club
